Introduction from our CSEL

As Catholic Senior Executive Leader, I am pleased to introduce the Our Lady and All Saints Multi Academy Company 'We Are All Saints... Children's Charter.' This sets out our approach and aspiration to delivering a truly Catholic educational experience for all our children and young people attending our academy schools.

In the most basic sense, a saint is a "*holy one*," someone who is set apart for God's special purposes. As a result, every follower of Jesus Christ can be a saint. By following the examples of the saints, we will guide, lead and teach our children to emulate their virtuous behaviours and to follow in their footsteps.

Our charter is arranged into the following principles:

- All Saints have a love for others,
- All Saints use their gifts wisely,
- All Saints are servants of Christ,
- All Saints are risk takers,
- All Saints have a love for the world around them.

The five sections set out a blueprint for the overall offer of experiences that our children and young people can expect to receive as they undertake their journey through each stage of both their primary and secondary school lives. It seeks to equip them to become active Christian citizens within their communities and within the world. We want every child and young person, following the example of Christ in his likeness and in his Gospel teachings, to leave school fully confident that, not only are they academically fulfilled but they have also experienced a wide range of activities enriching their hearts, minds and souls.

Children and young people will potentially face a world where there may be indifference to the needs of the poor, gross inequality, injustice and climate change challenges which threaten God's creation. Our charter and overall curriculum offer aim to mould active citizens who, through social action, will have the capability and the will to create lasting change.

As a Catholic Multi-Academy we hereby commit to work with all our children, their parents and carers, and the wider community, irrespective of social status or consideration of wealth, to produce wonderful Catholic citizens for our communities and for this world.

Our Children are at the focus of all that we do, but Christ is at the centre of everything.

Peter Davis,
Catholic Senior Executive Leader

*"The saints were not superheroes, nor were they perfect.
When they recognised God's love, they followed it and served others."*

Pope Francis

All Saints have a love for one another

*"No one has ever seen God; but if we love one another,
God loves in us and his love is made complete in us."*

John 4:12

Through social action and charity, we can work together to really make a difference, be that locally or globally. Based on the perfect example of Jesus Christ, we aim to collaborate, within our family of schools and our local parishes to show a love for all our neighbours.

Through our curriculums and the special ethos fostered across all of our schools we aim to develop a spirit of tolerance, open-mindedness and an understanding of the lives and cultures of those around us.

Compassionate and Loving

Compassionate towards others, near and far, especially the less fortunate; and **loving** by their just actions and forgiving words.

*"And now these three remain: faith, hope and love.
But the greatest of these is love."*

Corinthians 13:13

All Saints use their gifts wisely

"As each has received a gift, use it to serve one another, as good stewards of God's varied graces."

St Peter

Every child is special and every child has been gifted a unique set of skills and talents by God our Father. From the moment children join the Our Lady and All Saints family, we aim to nurture and grow their many God given talents; along with providing a range of stimulating and varied experiences to encourage them to develop further interests and passions.

Across our multi-academy we aim to develop a culture of aspiration and ambition; where every child receives the same opportunities today, so that they have the same life chances and choices in the future.

Grateful and Generous

Grateful for their own gifts, for the gift of other people, and for the blessings of each day; and **generous** with their gifts, now and in the future.

Learned and Wise

Learned, finding God in all things; and **wise** in the ways they use their learning for the common good.

*"Use those talents you have. You will make it.
You will give joy to the world."*

Take a tip from nature: The woods would be a very silent place if no bird sang except those who sang best."

All Saints are servants of Christ

"To the servant of God... every place is the right place and every time is the right time."

St Catherine of Siena

All students in Our Lady and All Saints Catholic Multi-Academy Company are encouraged to ask 'Who is God calling me to be?' Through the strong teaching of religious education; the joyous celebration of our Catholic life and the provision of high quality, reflective collective worship opportunities, we offer everyone the chance to consider their vocation and how best to develop and use their faith for the good of others and to worship Christ.

We want everyone within our family of schools to be 'Strong in Faith' considering the example of Our Lady - the 'Handmaid of the Lord' who, in saying yes to God, showed us that we too are able to discover the path to holiness and to authentic spirituality as we become servants of the Lord.

Attentive to their experience and to their vocation; and **discerning** about the choices they make and the effects of those choices.

Faith- Filled and Hopeful

"Use me, God. Show me how to take who I am, who I want to be, and what I can do and use it for a purpose greater than myself."

All Saints show a love for the world around them

*"Be praised, my Lord, through our sister
Mother Earth, who feeds us and rules us, and
produces various fruits with coloured flowers and herbs."*

St Francis of Assisi

Young people are incredibly passionate about caring for the world around them. We aim to build on this passion through developing pupil voice and providing real opportunities through Catholic Social Action and teaching. We provide examples of democracy in practice; a deep understanding of the Right of the Child; of fair trade; current global issues and promoting the celebration of difference.

Our Prayer

The Magnificat

My soul glorifies the Lord.
My spirit rejoices in God, my saviour.
He looks on his servant in her loneliness:
Henceforth all ages will call me blessed.
The Almighty works marvels for me.
Holy his name!

His mercy is from age to age, on those who fear him.
He puts forth his arm in strength and scatters the proud-hearted.
He casts the mighty from their thrones and raises the lowly.
He fills the starving with good things, sends the rich away empty.
He protects Israel, his servant,
remembering his mercy, the mercy promised to our fathers,
to Abraham and his sons for ever.

Amen
