

Termly Pupil Report Card

Child's Name:	
Class Teacher:	
Year Group:	Date:

On a termly basis, pupils in Year 1 to Year 6 will receive a pupil report card. These have been designed to keep parents up-to-date and well informed on their child's attainment, and attitude to learning, in Maths and English. To support these judgements, parents are provided with detailed attainment statements and examples of activities used in school to teach and assess each of these statements. In addition, pupil report cards provide a general summary of a pupil's achievements in the wider context of school life.

Reports cards will be distributed just before parents' evening. Parents' evening provides an opportunity for you to discuss your child's report card and the next steps in their learning journey.

We hope you find these report cards informative.

	Attainment Descriptors	Effort and Attitude to Learning Descriptors
Grade 4	They are able to attempt the concepts taught with some support and demonstrate a basic level of understanding.	Their effort and their attitude to learning is causing some concern.
Grade 3	They are growing in confidence and are able to work more independently with the concepts taught. They still require some additional support to apply this understanding to different situations and contexts.	Their effort and their attitude to learning is usually good .
Grade 2	They have a good understanding of the concepts taught and are beginning to apply this to a range of situations and contexts.	Their effort and their attitude to learning is consistently good .
Grade 1	This aspect is a real strength of their learning. They have an excellent understanding of the concepts taught and are able to apply this to a range of situations and contexts.	Their effort and their attitude to learning is exceptional.

Pupil Summary Sheet

General Judgements

3 = some of the time **2** = most of the time **1** = all of the time
