

# Inappropriate Behaviour Incident Performance

## Contextual Background

Who?	Record in student/linked student section
Where?	Record directly into the category section
When?	Record directly into the category section

## Description of Inappropriate behaviour/Result of the inappropriate behaviour

(cut and paste into incident section)

What did the inappropriate behaviour look like?
What was the trigger for the inappropriate behaviour?
What were other people's response to the behaviours?

## Outcome

(cut and paste into action section)

What consequence was given?
What reconciliation took place?
What did the child(ren) say about how they should have responded?
Was the child(ren) satisfied with the outcome?
Were all parents informed?
Were parents satisfied with the outcome?
Is any further action required?

## Example

### Description of Inappropriate behaviour/Result of the inappropriate behaviour

**What did the inappropriate behaviour look like?** A kicked B in the shin whilst playing a game of tig.  
**What was the trigger for the inappropriate behaviour?** A said that B kept trying to catch him so that he would be 'it'  
**What were other people's response to the behaviours?** B pushed A in the chest when he kicked him.

### Outcome

**What consequence was given?** Both A and B to miss 10 minutes breaktime  
**What reconciliation took place?** A and B apologised to one another; A extended a handshake. Both boys remorseful for their actions.  
**What did the child(ren) say about how they should have responded?** Rather than lash out, tell the other child what they are not happy about.  
**Was the child(ren) satisfied with the outcome?** Yes  
**Were all parents informed?** Yes Parent of A said that he would not be allowed to play on his ipad that evening.  
**Were parents satisfied with the outcome?** Yes  
**Is any further action required?** No
